**Subject: Official distributor for CEAG products in Poland**

Dear Sirs,

Please be informed that at present the company Grupa Wolff is a preferred authorized distributor of Eaton Crouse-Hinds explosion protected products (including it's all associated brands) in Poland.

After the corresponding training program in our factory Grupa Wolff has the necessary knowledge to support our Polish customers in all technical and commercial questions related to our product range. Additionally, Grupa Wolff is a Certified Assembly Partner and can deliver a selected portfolio of configured solutions manufactured at its own facility.

Yours faithfully,

Donat Czapski  
Sales Director Eastern Europe

Daniel Majewski
